

GRIPPS®

H01068 COIL TETHER SINGLE-ACTION - .75KG

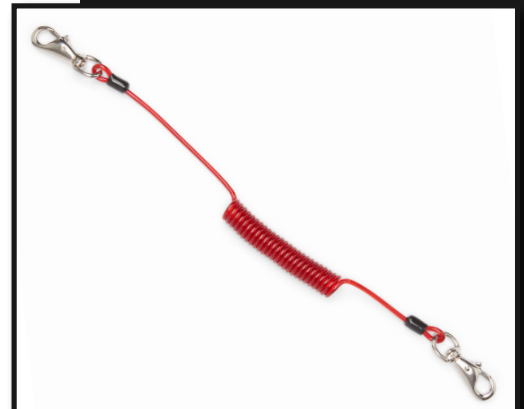

An ideal tether for tool belts, holsters, pouches or harnesses, the GRIPPS® Coil Tether Single-Action occupies minimal space and provides expansive reach with its coil design. When not in use, it remains unobtrusive and extends to its maximum length when using your tools.

Lightweight single-action carabiners mounted on swivel heads prevent tangles and unnecessary tension while using your tool.

1.6 LB **.75** KG

MAX LOAD:

THE LEADER IN FALLING OBJECT PREVENTION

GRIPPS.COM
