H01060 WEBBING WRIST TETHER DUAL-ACTION - 2.5KG

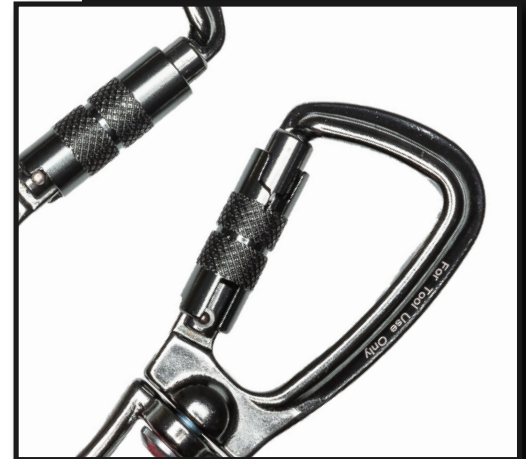

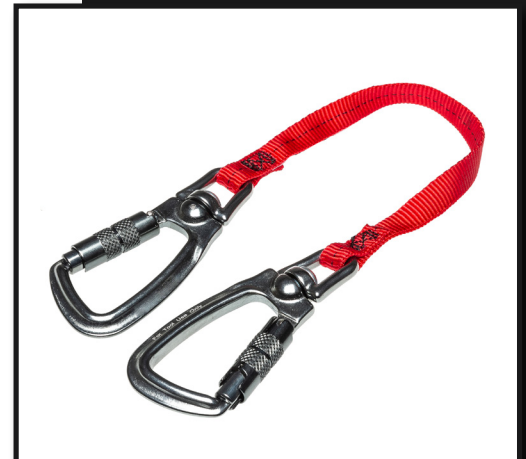

5.5_{LB} 2.5_{KG}

MAX LOAD:

GRIPPS® Webbing Wrist Tether Dual-Action features two strong yet lightweight dual-action carabiners mounted on swivel heads. Manufactured from abrasion-resistant webbing, the Webbing Wrist Tether Dual-Action enables you to safely tether hand tools to GRIPPS® gloves or wrist anchors.

The Webbing Wrist Tether Dual-Action provides 360-degree mobility with the carabiners being mounted on swivel heads, meaning no more tangles or unnecessary tension on the tether when working with hand tools.

- Two Dual-Action Carabiners
- Strong & lightweight
Compatible with the full range of GRIPPS® gloves & wristbands

THE LEADER IN FALLING OBJECT PREVENTION
