

GRIPPS®

H01112 ZIP-LOCK BAG - 30.0KG

Lightweight and built for strength, GRIPPS® Zip-Lock Bag combines multiple levels of functionality into a highly affordable package.

GRIPPS® Zip-Lock Bag is made from water-resistant and puncture-resistant Nylon, featuring a heavy-duty type-10 Nylon zip that securely keeps the reinforced lid shut and your contents safe.

The load-rated lifting strap allows for flexibility in transportation, and a reinforced bottom ensures longevity in harsh conditions.
