

MAX LOAD : 2.3KG / 5.0LBS

C5 ECO GLOVE

CODE: S21627

PROTECT YOUR HANDS & THE ENVIRONMENT

The GRIPPS® C5 Eco Glove is a carbon-neutral certified protective industrial workers glove with an in-built tether anchor point. Made from recycled plastic and rubber nitrile, the C5 Eco is the lighter variation to the GRIPPS C5 Eco Impact Glove.

Every pair of gloves uses one recycled plastic bottle!
