

**MAX LOAD : 2.3 KG /5.0 LBS**

# C5 ECO IMPACT GLOVE

**CODE : S21628**

Carbon-neutral, impact protective and featuring an in-built tether anchor point, the C5 Eco Impact is a truly unique safety glove. Constructed from recycled plastic & nitrile rubber the C5 Eco Impact is the newest innovation in the GRIPPS glove range.

Every pair of gloves  
uses one recycled  
plastic bottle!

**CARBON NEUTRAL  
CERTIFIED**

The C5 rated gloves are manufactured from an extra lightweight glass fibre yarn for the highest level of cut protection. Double-coated with a sandy foam nitrile combining maximum cut resistance and dexterity with long-lasting grip. Whether facing wet or dry conditions, these premium safety gloves are ideal for any industrial worker at height.

The GRIPPS® C5 Eco Impact Gloves is a triple threat, allowing you to protect your own hands, workers at risk of dropped objects and the environment.
