

SCAFFOLDERS KIT - 5 TOOL RETRACTABLE

CODE: K02027

The fully tethered Retractable 5 Tool Scaffolders Kit comes assembled with five quality tools and retractable steel tethers, installed on a premium reinforced form-poly belt.

Lightweight, functional and extremely heavy-duty, these kits are engineered to provide today's Scaffolder with a tool system that out-performs expectations and is recognised as 'best practice' in the industry.
