THORZT
HYDRATING HARD WORK

COOLING CROWN PAD TO FIT HARD HATS

DESCRIPTION

THORZT COOLING APPAREL IS DESIGNED TO ASSIST WITH HEAT STRESS PREVENTION BY PROMOTING THE BODY'S THERMOREGULATION.

A cooler body improves the ability to sustain intensive workloads over longer periods of time. The THORZT cooling Crown Pad is a great way to prevent heat escaping and produces an instant cooling effect (reducing your body temperature and delay the onset of dehydration).

FEATURES & BENEFITS

- When wet, stays cool while you're active.
- Hook and loop attaches easily to hard hat liner.
- Comfortable, polyester mesh outer with unique polymer
- Hand washable - doesn't effect cooling.
- Lightweight, reusable and durable cooling fabric inner.
- Prevents heat escaping and provides an instant cooling effect.

CARE INSTRUCTIONS

- Hand wash using a mild soap in warm water, rinse and hang to dry.
- Do not store or pack wet. If odour occurs, use the washing instructions listed above.
- Cooling results may vary based on several factors: saturation level, climate, temperature, humidity, and body temperature.

PRODUCT DETAILS

Materials: 100% Cotton lining, Polymer embedded fabric (53% Polymer / 47% Cellulose)

Size: One size fits all. Suitable for most hard hats

ACTIVATION

1. Submerge the THORZT Cooling Crown Pad in any temperature water and let it soak for 1 to 2 minutes.
2. Wring out the excess water, leaving it nice and moist.
3. Wear to activate.
