

SAFETY DATA SHEET – SORBALITE

Last updated: November 2020

Page 1 of 3

1. Identification of the substance/preparation and company/undertaking

Product name: Sorbalite

Other names: Zeolite, Global zeolite
Company name: Spill Crew Australia
Company address: 21 Glassford Road

Kewdale 6105 Western Australia

Tel/Fax number: Tel: 1300 485 000

Fax: (08) 9258 5833

Emergency tel: 1300 485 000

Email: sales@spillcrew.com.au

Recommended use: Industrial liquid and vapour absorbent

2. Hazards identification

Hazard classification: Not classified as hazardous according to NOHSC Australia

Not classified as a dangerous good by the criteria of the ADG code

3. Composition/information on ingredients

Chemical Entity	C.A.S. N°	Proportion
Zeolites (Clinoptilolite + Mordenite)	Not applicable	40-75%
Smectite	Not applicable	10-30%
Opal C1	Not applicable	15-30%
SiO2		71.54%
Al2O3		18.44%
K2O		2.66%
CaO		1.75%
Na2O		1.75%
Plus trace elements		3.86%

4. First aid measures

Swallowed: No known adverse effects if ingested in small quantities.

Eye: Immediately flush the contaminated eye(s) with lukewarm, gently flowing water for 15 minutes

holding the eyelid(s) open. Seek medical attention if necessary.

Skin: Remove all contaminated clothing and launder before reuse. Immediately wash contaminated

skin with soap and water.

Inhaled: If inhaled, remove to fresh air and keep victim calm. Seek medical attention if acute reaction.Advice to doctor: Treat symptomatically based on the judgment of doctor and individual reactions of patient.

First aid facilities: Ensure an eye bath and safety shower is available and ready to use.

5. Fire-fighting measures

Flammability: Non-flammable

Fire / explosion risk: No known explosion hazard or hazardous combustion product for virgin material

SAFETY DATA SHEET – SORBALITE

Last updated: November 2020

Page 2 of 3

Extinguishing media: Not applicable

6. Accidental release measures

Spills: Restrict access to area, remove chemicals that can react with spilled material and avoid dust.

Soil release: Shovel and sweep up.

Water spills: Not applicable.

Air spills: Keep upwind and treat as above.

Occupational spills: Shovel and sweep up.

7. Handling and storage

Store in cool dry ventilated storage area and away from foodstuffs.

Engineering controls: Engineering control methods including adequate mechanical ventilation to reduce hazardous

exposures are preferred.

Respirator: Use a NIOSH/MSHA – approved dust type respirator.

Gloves: Not applicable
Garments: Not applicable

Eye protection: Use safety glasses or goggles.

8. Exposure controls/personal protection

Avoid wearing contact lenses. Always wash hands before eating, drinking, smoking or using toilet.

Nuisance dust, no exposure standards set for Sorbalite.

9. Physical and chemical properties

Appearance: Cream-coloured granules

Boiling point (°C): N/A
Melting point (°C): N/A

Vapour pressure: N/A Mm Hg (1 atm)

Specific gravity (water = 1): .65 Flash point (°C): N/A

Solubility in water: Insoluble G/I (25°C)

pH (@ 10% solution): N/A

Flammability limits (as % volume in air)

Lower explosion limit: N/A

Upper explosion limit: N/A

Not effective in removing ethylene

10. Stability and reactivity

No data

Page 3 of 3

11. Toxicological information

Swallowed: Material is inert however is highly absorbent and could cause dehydration if large amounts are

consumed.

Eye: Can cause mechanical irritation to eyes.

Skin: Can cause mechanical irritation to skin.

Inhaled: Inhalation can cause irritation to the respiratory tract

12. Ecological information

No data

13. Disposal considerations

Waste material should be disposed in accordance with local, state and national EPA regulation.

14. Transport information

U.N. number: N/A
Class: N/A
Hazchem code: N/A
Pack group: N/A

Shipping name: Sorbalite zeolite
Hazard: Not applicable

Sub risk: N/A EPG number: N/A

15. Regulatory information

No data

16. Other information

Last revised: November 2020

All information contained in this Safety Data Sheet and the health, safety and environmental information are considered to be accurate to the best of our knowledge as of the issue date specified above. However, no warranty or representation, expressed or implied, is made as to the accuracy or completeness of the data and information contained in this data sheet. Health and safety precautions and environmental advice noted in this data sheet may not be accurate for all individuals and/or situations. It is the user's obligation to evaluate and use this product safely and to comply with all applicable laws and regulations. Spill Crew Australia accepts no responsibility for any injury, loss or damage, resulting from abnormal use of the material, from any failure to adhere to recommendations, or from any hazards inherent in the nature of the material.
